

At Clane Athletic Club, we understand and respect the importance that parents and guardians place on the use of mobile phones as a means of contacting their children when away from home.

However, there are times when the use of mobile phones must be limited in order to protect all children within the club.

For this reason, we have placed the following limitations on the use of mobile phones in our club activities:

- Children must request permission from their mentor if they wish to use a mobile phone.
- Mobile phones are banned in dressing rooms and the taking of photographs or video at club activities must be pre-authorized by Club Officers.
- It is recommended that children are discouraged from bringing mobile phones to training sessions to avoid loss and damage.
- It is the responsibility of parents and children to ensure that mobile phones are always kept in a safe and secure place.
- The club takes no responsibility for mobile phones lost or stolen while on club premises or while away from club premises attending events or any other club activities.
- The misuse of mobile phones will be taken seriously by all club members and persistent failure to comply with club policy will result in disciplinary action by the Club Executive Committee.
